Customer Reviews

A short book containing only 25 potato salad recipes. The best thing is that this book does one thing and one thing only and does it well. While my mum's salad isn't described (being closest to the 'Italian Potato' salad), the recipes presented give me new ideas for a family favorite.

Wonderfully creative showcasing of the humble potato. Recipes include main dishes as well as sides and offer new ideas and inspirations. Great for non-gluten, non-grain diets. Easy to follow and

execute.
