I downloaded this for free from the Kindle store hoping to find a good recipe to use for the immense amount of chicken breast we currently have in our freezer. I am a picky eater, so I would have had to modify or omit ingredients from most of the recipes, and even though I have most of these recipes (or similar ones) posted to my pinterest account, it is much easier to get my kindle and pull

up this ebook and search through only 50 chicken recipes versus the thousands of diverse recipes on my pinterest board. I am glad I downloaded this book.
