Champagne & Sparkling Wines: A Complete Guide To Sparkling Wines From Around The World (Mitchell Beazley Wine Made Easy)

Synopsis

Sparkling wines are the ultimate celebratory drink—and they come in many different styles, from classy but costly Champagne to bargain but bubbly Cava. In her simple, straightforward guide, wine journalist Susie Barrie brings you up to date on the delicious variety, describing the differences in production techniques, comparing traditional and New World styles, and helping you choose just the right one. Fact boxes pack the pages, featuring tips on recommended sparkling wine producers, suggestions for serving the wines, and ideas for matching them with food.
