Want to make all the quilts. Great book. Lots of fun designs. Have only done the first one so far but getting fabric for the others! Oh and Kitty has no respect'. Pic is the first quilt pattern, summer holiday, in moda grow jelly roll and a white solid. Oh and the quilt on the cover IS in the book: called By the seashore, on page 39

These quilt patters are really great for someone who likes the look of circles but doesn't want to sew curves. The patterns are all made with strips and straight lines but quite a number of the patterns give the effect of circles. The fabric choices are festive and fun. I bet these patterns would look great in bold and dark color combos as well.

Did anyone else notice that the quilt on the cover of this book is NOT in the book? I bought this book because I like the quilt on the cover but it's not there. I did like a couple of other quilts in the book so I won't be sending it back, but I really was disappointed.

I loved this book... amazing projects....i bought 2 books by chance were for same writer Kate Henderson... and were the best..... i reccommend it to everyone...

A beginner will find all that's needed to create a fun first quilt, and us veteran quilters can have fun making quick quilts for charity.

Love strip quilt patterns and this book doesn't disappoint. I absolutely love 8 patterns and can't decide which to make first.

Great book; exactly what I was looking for and in excellent condition upon arrival.

Loved this book. Great patterns inside. Planning on making several of them.
