Customer Reviews

I've been using this cookbook for years and love it! It has the best Posole recipe I've ever come across. Lots of winners in it. I am ordering another copy, the dog just chewed up the one I had. It would make a great gift for anyone wanting to experience Colorado cuisine or who just missed the tastes of home!

My wife was very happy and couldn't wait to try some of the recipes. Logically organized this cookbook is a winner.

I have most of the Cookbooks from here in Colorado & I have never been disappointed yet from one of them. I will have to say this one will be just as good as the rest.

Great to help me learn how to cook in my new "high" state!

Good book. Bought it for my Mom who just moved out to Colorado, she's loving it!

This book arrived with many pages missing. Very disappointed.
