Customer Reviews

My mother bought me instant pot pressure cooker and I needed a detailed guide/manual to help me know how to use it and how to take care of the cooker. I was searching on for a guide and I came across this book, it has been a week now and the book has been of great help, referring to it whenever I am stuck. The guide is well written and easy to use. The recipes in the spices the book, they have ingredients that are clear and easy to find as well as simple and easy to follow cooking directions. I highly recommend this book to instant pot cooker owner and those who want to explore instant pot recipes that are well written. Great book, thanks to the author!!!

This essential guide includes a vast array of electric pressure cooker recipes for Breakfasts, Soups, Main Dishes, and Dessert! I really need to pay attention to foods that have very low carbs. This book is one of the best instant pot cookbook in the market as it gives different type of low carb recipes that will lessen you carb intake that can make weight loss more easier. If you have been looking for a low carb diet book to help you follow a low carb diet, then this is the perfect book for you. One of the most common causes for weight gain is too many carbs, by following a healthy instant pot cookbook you can lose those pounds that have been troubling you.

Madison Rose did an outstanding job with this instant pot cookbook. The family and I have been on a kick to get healthy lately, so I've invested in a bunch of new kitchen gadgets that will help us more quickly and easily create more healthy and satisfying meals. One such device has been the Instant Pot. This book is loaded with quality information that lets us know how best to use the device to create tasty meals, and as a breakfast lover, I'm finding that the recipes for breakfast are simple and delicious to get me started off on the right foot for the day! Highly recommended.

This book contains the easiest ways to cook your meal in a shortest period of time. You will get extra time to use anywhere else so that you will not have to worry about cooking all the time. Small and healthy pot dishes tips just to save the day.

Pressure Cooker makes cooking easy and save time also. This book will help you to get all the advantages provided by the instant pot cook pot It describes all the methods of cooking step by step. Moreover, there is an excellent collection of recipes for breakfast, lunch and dinner to provide you with more nutrients from your pressure-cooked meals. You need this book to enjoy healthy meal as well as a healthy life.

Nice format. Tables are great for quick reference. Recipes are not elaborate. So, you get good, solid info on the processes needed to use the pressure cooker. Then, you can apply that knowledge to similar dishes or add other ingredients. I liked it especially because I have an Instant Pot. Instructions are specific to that, but also include adaptations.

This wholesome practical guide contains all the instructions and tips needed to cook through instant cook pot. You cannot do without it if you want to get all the advantages of a pressure cooker. This book is also full with a lot of recipes for various dishes and instructions are clear and easy to follow. I am fond of cooking different types of meals those are great and not boring. I am sure it will help me a lot in the kitchen.

We all are now busy, so, we get a little time to prepare our meal. Instant pot cook pot provide us the opportunity of getting prepared our meal within a short time without little problem. This book allows me to use all the function of a cooker by sharing a user friendly guideline. It also included a lot of delicious recipes suitable to cook through instant cook pot. It ensures various dishes within a little time. I am pleased getting it.
