A Guide To Making A Leather Belt - A Collection Of Historical Articles On Designs And Methods For Making Belts

Synopsis

This early collection on leather craft includes articles that would be both expensive and hard to find. It contains easy to follow instructions on making leather belts, and is accompanied by photographs and illustrations of the designs and techniques involved. This is a fascinating work and highly recommended for anyone interested in learning the art of leather craft. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
