Better Homes And Gardens Kitchen And Bath Renovation Guide (Better Homes And Gardens Home)

Synopsis

This essential resource will walk homeowners through the decision-making process for a kitchen or bath renovation to create the perfect space. This indispensable reference covers everything homeowners need to know about making over the two rooms that yield the most resale value. Information is included for all stages of a kitchen or bath remodel, from inspiring before-and-after images to tips on getting started, with easy-to-read lists and sidebars on topics such as setting a budget and hiring professionals. Chapters highlight floor plan ideas, decorating styles, storage solutions, and lifestyle design choices. Plus, a handy shopping guide helps renovators choose key products, from kitchen cabinetry and cooktops to bathroom sinks and lighting. Complete with an appendix of checklists, this go-to guide is perfect for homeowners ready to update their spaces as well as those just looking for new ideas for renovations in the future.

Customer Reviews

"everything homeowners need to know about making over ..." Huh? Very misleading description. This book is primarily pretty pictures with good design ideas. Almost no information on actually "doing" any renovations.

I was trying to design a project and It was difficult to find what I wanted in a kindle version. I needed to be able to flip pages and reference my ideas. The book did not address design on the way I

needed.

I bought this book hoping it would go into a little more depth regarding the different materials and the pros and cons of each. It was a very quick read and touched on basic topics. I like the checklists at the end.

Love this book! The photos and examples were excellent. It provided me with the inspiration for my remodel.

Good pictures. Large, clear. Not too wordy. I got it as an eBook.

High quality paper, fantastic photos and great design ideas make this book a winner!

Got this for my sister whose thirty year old kitchen needs remodeling. This book made her enthusiastic for the upcoming chaos to begin, a very difficult task indeed!

Great ideas! Just what I was looking for!
