These seem pretty simple, but quite a nice stitch variety. Currently making Summer Shells all in white, just for fun. Nice illustrations and relatively easy to follow directions. It also has a nice illustrated stitch page, and flat, colored photos of the project that, with the use of a magnifier for older eyes, gives that clearer "picture" of the stitches that some of us really need. I think I will like this book.

I first found this on the authors website and decided to check if I could get a better deal on . I was in luck. Once I got it which did not take long I found that the patterns are well thought out, fun and easy to complete. They have really fun themes that you can use as presents for the hard to shop for people in your life. Its a practical fun gift that everyone can use and you can make.

Quick, easy and they make great gifts . Beginners through experienced crocheters will like these

projects 10 Stars!!!!!! Maggie Weldon is reliable

Love all the patterns! They will make wonderful additions to my home and great gifts. Can't wait to get started!

A large variety of stitches; will make them for my friends whether they like it or now.... :)

I love this book! I'm in a dishcloth swap and love having a book for a quick in season idea!

Looking forward to making them all. Instructions are acceptable.

Easy to read directions. Fun patterns
