The reality is I am NOT a crafty person. I like things simple and uncluttered. Crafts make me crazy and they never turn out like the picture. I like my recipes simple and family friendly. So often cookbooks and craft books have very little that appeal to me. Six Sister's Stuff is different. Most of their ideas are simple, their recipes are family friendly and all look like something I am willing to try. As far as the recipes in this book there are so many that look so yummy. Ok so really most of them are not terribly "healthy" but boy do they all look and sound good. The crafts in this book like most are not something I'm likely to try. I will go buy a decoration before I am going to attempt to make one. The homemade gift ideas and crafts projects are cute and I'm sure most people would

love to make them, my daughter being one of those people. What I really loved were the ideas for neighbor gifts, Christmas Traditions and 12 Day for your True Love. I'm totally stealing some of those ideas this year! This is a great Christmas idea book worth reading! Rating: 5 Stars - I loved it! Source: Review copy from publisher.

I love this recipe book. All the recipes are easy and the ones I've tried are awesome. First time I've ever written a review on or about anything and I'm 73 years old, so you can tell how much I love this book. Lots and lots of good recipes and ideas. Love it!

Love this cookbook! As soon as I got it I couldn't wait to dig in and see what it was all about! Not only are there great recipes (which I LOVE), but there are also great ideas on traditions you can have, crafts you can make, and all things Christmas fun! Perfect cookbook to add to your holiday collection and would make excellent gifts. Highly recommend!

This is the second "Six Sisters" book and I LOVE, LOVE, LOVE it. The first book was wonderful and the 12 days of Christmas is equally as wonderful. I received this as a gift for Christmas so I didn't have time to really try it out. After Christmas I went over each page and I can't wait to try out all the fun, creative and great things for this coming Christmas.

Wonderful for the season and also through the year. I feel that the ideas of course are tailored for the season but they can be used in instances through the year. The recipes look wonderful. I had to try one almost as soon as the book arrived --the iced gingerbread bars are fabulous.

Nice compilation of holiday recipes. Would probably only make a few tho. Baked apple pie french toast sounds yummy. Lots of other sweet treats worthy of trying. Slow cooker Chicken & Gravy looks simple and delish! The crafts in there were a bit disappointing. I guess I expected better. I enjoy their blog, but some of these crafts I would not expect for holiday giving: painted hinge bracelets??. Actual hinges strung together. Who would wear that? Bleach T shirts, t shirt headbands, magnetic calendar, and wood candle holders were a little cheezy for me. I'd return the book if I could. The good recipes you could get on Pinterest or their blog.

Just got this book and I love it! SO many great Christmas ideas! I love that this isn't JUST recipes or JUST crafts... it is a little bit of everything rolled into one amazing Christmas book. Can't wait to

order more copies as gifts! Thanks Six Sisters! :D

Possibly the best Christmas Cookbook! Not only is it filled with delicious Christmas-inspired recipes, but there's also Crafts and DIYs, as well as games to play with the whole family during the Holiday season. The beautiful pictures are incredibly inviting and the recipes are all very easy to make.
