The Cocktail Club: A Year Of Recipes And Tips For Spirited Tasting Parties

Synopsis

With a little bit of history and a lot of flavor, *The Cocktail Club* is a guide for connecting with your friends over the best-tasting therapy around—cocktails! Using a format reminiscent of your favorite book club, Maureen Christian Petrosky highlights one specific spirit or drink type each month. Classic favorites like the Martini and the Old-Fashioned, as well as new sips like the Mason Jar Basil Pisco Sour and Blueberry Lavender Vodka Spritzer, will inspire novices and enthusiasts alike to build up their bar vocabulary and taste outside their comfort zone. The book also offers a delicious selection of hors d'oeuvres pairings like Grilled Figs with Prosciutto and Rosemary Lemon Bars. So whether you've been curious about absinthe rinses or want to bone up on your bitters, *The Cocktail Club* gives you the perfect excuse to pull out your shaker and dip into the art of at-home mixology.

This book has helped to bring a group of amazing women into my life once a month! I have learned so much about different cocktails and in the process have made some great friends. So grab this book and a few of your favorite friends and get shaking!

I have been very excited for this book to come out after loving the *The Wine Club*. We have hosted our own wine club for several years now and are looking forward to Maureen Petrosky guiding us through our next adventure with *Cocktail Club*! The recipes look delicious and the book is a beautiful

addition to my coffee table. Can't wait to get started!

Great interesting recipes including some standards with a twist. My husband and I enjoy trying new cocktails and so far have enjoyed many from the book. I also really like the suggested pairings with foods and can't wait to plan out our holiday get togethers!

A novel idea - "a Once a Month Cocktail Club"- is a novel idea and one that is very appealing to the younger set today. I bought this book as a hostess gift and had a fun read before packaging. The ideas for monthly get togethers are creative and easy to follow. It is well organized and the photography is excellent. Truly a lovely book to gift someone for Valentine's Day. Highly recommend.

I wish I could personally thank this author for formalizing this super fun concept. My cocktail club has been going for 5 months now, and every month has been incredible! It has made us all step out of our comfort zones and introduced me to a few new favorite cocktails! Since being in a cocktail club, I have had so many other friends ask about joining, I am considering starting another one! The book is also beautiful, with great photos and easy to follow directions for cocktails and food.

I am lucky enough to be a part of a monthly "book club" that references a chapter out of this book every month. It's our bible and we each take turns hosting a chapter. A great excuse for this new(ish) mom to get out of the house, gather with a group of great ladies and learn about cocktails and food pairings. The book is so well designed, interesting and fun to read. I'm proud to have it displayed on my shelf.

This is a great book - if you are in a book club now, consider starting a cocktail club using this book! I had just moved to a new city and was welcomed into the beginning of a cocktail club. Now I recommend it to my girlfriends far and wide!

The Cocktail Club is exquisite! Beautiful photography, fun to read history and know-how, and delicious winning recipes! Like her first book, The Wine Club, I know I'll be using this one for entertaining and inspiration year-round!
