The Ultimate Guide To Old-Fashioned Country Skills

Synopsis

Whether you're a suburbanite looking to live more simply or a die-hard homesteader interested in taking your garden to the next level, this guide is packed with step-by-step instructions, useful tips, vintage photographs and illustrations, and time-honored wisdom—creating one of the most comprehensive books on country skills available. This book is compiled of tested and practical experience passed down from generations of farmers and homesteaders. Here readers can learn about: Creating a vegetable garden Canning and preserving Keeping poultry Soap making Natural medicine Bridge building Farm mechanics Crop rotation Cattle and dairying The basics of beekeeping Foraging for wild food Fertilizing, soils, drainage, and irrigation Building a barn And much, much more! Success comes to the person who works the most efficiently—not simply the person who works the hardest. Learn invaluable advice and tips for how to create a sustainable lifestyle and live off the land.

Customer Reviews

Why is there yarn and needles on the cover and nothing about the skill inside?

I love this book. It's full of great advice and very useful information! I feel that Abigail does a really good job with her books and makes each one unique per the subject matter at hand. I don't know why some think she's ripping you off. She provides a valid service by gathering info, coming up with recipes and skills and publishing them. With so many overlapping genres out there, I'm sure some

info in this book is similar to other books, but they still provide a service for the areas covered. Things I loved: -Loads of great recipes, including some very unique ones. (Potato custards and squash puffs? Yup, they're in there!) -Great canning/jarring instructions. -Solid fix-it advice. -So much more!!!

Once again, same info as all her other books. Only buy her books if you like getting ripped off.

Old time wit, wisdom and how to. Enjoyed it as brought back memories of things I've done or heard parents/grandparents speak about.
