American Girl Baking: Recipes For Cookies, Cupcakes & More

Synopsis

Bake Like You Mean it! Williams-Sonoma and American Girl have partnered to bring you American Girl Baking - the perfect book for the girl in your family. It's packed with 40+ delicious, easy-to-follow recipes fit for any occasion, or just because you wanted to bake something! It's easy to understand why baking is so much fun. There's nothing quite as satisfying as measuring and mixing ingredients, putting dough or batter into a hot oven, watching - and smelling! - the transformation during baking, and finally removing delicious sweets from the oven. But the best part is sharing the treats you made with love with your friends and family. American Girl Baking provides delicious, easy to follow recipes that everyone will love. Cookies: From cookie flower pops and cinnamon-sugar snickerdoodles to pinwheel icebox cookies to ice cream sandwiches - find something for every craving. Cupcakes: With kid-favorites flavors like PB & J, s'mores and snowball, and more adult flavors like carrot cake, red velvet, and white chocolate and raspberry, there's something for every family member. Madeleines: Honey or orange, chocolate or vanilla, no matter what flavor they are- madeleines are a delicious and dainty treat! Baking: A wide range of sweets as diverse as chocolate truffles, rocky road fudge, fruity turnovers, caramel-glazed blondies, and everything in between. Whether you follow each recipe step-by-step or add your own unique twist, baking is a great opportunity to let your personality shine and to create mouthwatering goodies. The American Girl Baking book goes with the exclusive line of bakeware products from Williams-Sonoma and American Girl, but these delicious recipes can be made with the utensils you already have in your home.

I can't say enough about this cookbook. It's wonderful for beginning bakers. My 7 year old has made four of the recipes all on her own thus far. They aren't super simple recipes - but are written for young bakers with developing skills. Everything has been delicious!

Cute cookbook. Bought for my 8-year-old and she loves it. Good size, recipes look appealing, and the pictures are vibrant. Keeps her occupied for hours even though we haven't made anything from it yet.

Awesome! This is a beautiful cookbook with lots of color photos. Most kids cookbooks have really easy recipes but not this one. These recipes are not watered down for kids, there are a lot of steps for a kids cookbook. My daughter has loved the book and the recipes we have tried were delicious.

My seven year old daughter loved this baking cookbook. It is a great started cookbook for kids to learn the basics of baking all the yummy treats they like. Her two adorable comments when she opened the book were: 'I want to eat the book' and 'time for a party, Mommy'! That coupled with her latest interest in American Girl made this an gift!

My daughter saved up to buy this book after borrowing it from the library. She's a great baker and felt it was a worthy addition to her collection. Everything that she has made has turned out well. The step by step instructions are very easy for a 9 yr old to follow.

I have been baking with my nieces for years, but it's always been hard to find recipes that are both inspiring and attainable to use with them. Until now. Each recipe in this book has just the right amount of flare so that my nieces feel it was created for them, all wrapped up beautifully in an inviting American Girl experience. Our baking together reached new heights when the Grace doll was released last year, and this book is the perfect compliment to the product line (which we, of course, have many things from!). We're big carrot cake fans, so it was especially nice to find some classic recipes in the mix. Seems like I have many, many more baking adventures with them in my future, and I couldn't be happier about that.

This is a beautiful book but the recipes we have tried are not good at all, the worst being the black bottom cupcake. There is a typo in the ingredients list which leaves me to wonder what else what left out. This is a book to add to your collection only if you want to have something pretty to look at in the kitchen. Don't bother with the actual recipes.

My 12 yr old daughter loves baking, and she loves the recipes in this book. We have made a few already and EVERYTHING has been so tasty! Love it!
