Modern Dog Parenting: Raising Your Dog Or Puppy To Be A Loving Member Of Your Family

Synopsis

You and your dog are a lot alike. By several behavioral measures, your dog's mental abilities are equivalent to those of a two to three and a half-year-old toddler. Dogs can learn up to 250 words, count from one to five and understand basic arithmetic. Your dog can imitate and understand your behavior and has a sense of fairness. Doesn't it make sense to treat these sensitive, intelligent creatures a bit more like children? Kids and dogs raised with kindness and respect grow up happy. And happy is good. Modern Dog Parenting will show readers that yes, you can love your dog and live with him, too. Dogs (and the people who love them) are tired of the school of dominant, top-dog training. They are looking for a new kind of pack leader: someone funny, enthusiastic, intuitive, approachable, and, above all, effective. And they've found her. Sarah Hodgson rejects dominance-based training and gets astonishing results with a blend of wit, compassion, energy, and proven skills. She communicates instructions clearly, directs behavior compassionately, and rewards success lavishly. Topics include: *Understanding the signs your dog is giving you* Having fun while learning manners* How to fit your dog into your lifestyle* How to communicate lovingly and effectively with your dog

I'm a classic dog mommy. Elaborate feeding rituals, lots of dog coats, a house full of canine-themed mugs, magnets, tee shirts and wall art. And now I have the perfect dog parenting book. Modern Dog Parenting shows you how to guide your dog to her best behavior without a trace of harshness or negativity. It's positive, easy and effective and an entertaining read to boot. Highly recommended!

What a gift of insight this book is! From learning how to read your puppy/dog's body language to the hundreds of tips on raising a friendly and loving addition to your family. Our dogs have always been our babies and here's a book that celebrates this beautiful relationship. Enjoy it!

Excellent book. I've always struggled with the understanding my dog but this book has completely eradicated all my issues and helped me develop an excellent knowledge on not only my Alaskan Malamute Maximillian but it's also helped me understand how to understand him and how to deal with him in an efficient manner. Sarah has a great gift for explaining things very elegantly and I would highly recommend this book for any dog owner.
