Customer Reviews

Bought this one after my family gave me the other book like it. I love looking for recipes in it and remembering my days spent in the Islands.

The recipes seemed easy enough to follow (can't wait to make more of them) and the book is quite beautiful..also, everything sounds delicious and takes me back to the Islands!

Just got back from Hawaii and had to have an Hawaiian cookbook. We had eaten at several of the restaurants that provided recipes for the book while there and wanted to extend our island visit with island food at home. Great addition to my cookbook collection and the eating is pure enjoyment.

Finally found the recipe my husband and I enjoyed when we were married on Kauai! ^_^
