Customer Reviews

I am a quilter and embroider this is perfect for making small squares to put together a quilt. Recommend to all, clear directions and beautiful color.

Rating was because all that was discribed was very true. Pictures with instructions very good in book. Just what I was looking for in an instructional book.

Beautiful book that will be treasured in my library. I realy liked this one. The embroider is so beautiful and I can't wait to try each stitch.

It's a beautiful book and makes me wish I was more skilled in stitching than I so far am.
