Fantastic results. Classic patterns along with modern, oriental and Persian. Nicer than I've seen so far than the machine made rugs. Even has patterns for entry welcome mats.

This book has beautiful full color diagrams which makes it easy to follow the design. Your rugs will look like a pro made them if you just follow the directions.

Great book - I've made quite a few of the rugs, and they are fun and easy, and look great. The patterns are very beautiful and there's something for everyone.

Beautiful rug charts, great pictures and inspiration. Now all I need is time and I too could have beautiful rugs in my dollhouse

Book is like new, delightful patterns, I will have so much fun making these projects, thank you ever so much
