Sculptured Rugs In Waldoboro Style (Rug Hooking Magazine's Framework)

Synopsis

Waldoboro hooking, an early method of rug hooking, is gaining popularity in the field of fiber arts today. Nationally recognized rug hooker and designer, Jackye Hansen and her student, Trudy Brown, bring their expertise and research together to present *Sculptured Rugs in Waldoboro Style*. Each page is filled with information on the history behind the art form, examples of traditional Waldoboro rugs as well as contemporary designs, and how this style can be used in today's hooking methods. Jackye and Trudy will guide you step-by-step through each stage from conception to completion. Filled with helpful tips and advice, *Sculptured Rugs in Waldoboro Style* will provide essential information for beginners and experienced rug hookers alike.

Customer Reviews

This is a Rug Hooking Magazine publication and is a new paperback book illustrated with many color photos and written by one of the more knowledgeable teachers of rug hooking. Waldoboro is a style of raised rug hooking which was popular Maine and Eastern Canada. Filled with lots of color photographs, Hansen provides history of the style as well as technique with lots of photographed examples and finishing techniques. Highly recommended as one of the few modern books on this technique.

Recently I saw sculptured rugs at a rug hooking conference and was so impressed at the dimension the artists attained. Having this book will inspire me to try my hand at this form of fiber art and see where it leads me. Beautifully done!

This book covers a particular style of rug hooking. Even if you are not interested in doing this style yourself, if you love rug hooking you will appreciate the history shared in this book. Great pictures. Some how-to.

This is a wonderfully illustrated, well-written book that all rug hookers and/or Maine history lovers should own! The writing is interesting, informative, and "hooks" you right away! I thoroughly enjoy owning this book.
