Customer Reviews

I ordered both this planner and the small purse size Our Favorite Halloween Recipes at the same time. I found out after a long wait that the smaller one was unavailable so checked online for another one. To my surprise several sellers had inflated the price out of bounds. I highly recommend this planner as a substitute because it has many good recipes and tips for Halloween, probably the same ones as the small purse size one, you will enjoy it very much.

Even though the post office managed to send this to Malaysia instead of the UK (!) it eventually got to me in good condition. The book itself is very basic with black and white drawings instead of colour photos, but great for organising all my party ideas. I'm sure that soon I'll wonder how I coped without it!

Nice to keep my Halloween notes and ideas in ! fun ideas too ! colorful pages ! another great gooseberry patch item !

Nice book ,great service
