Customer Reviews

However appealing the title may sound, Quickies in the Kitchen is really all about saving time for the important things in life. I'm all for that! My favorite part of the recipes is that while most are American favorites with a twist, they are restaurant quality, yet very simple. The recipes not only describe what to do with the ingredients and how to prepare the dish, more importantly, the recipes describe when to do what, down to the minute. I have made the Asparagus & Ham Fettuccini, a family favorite, in 15 minutes. My family also likes the Vietnamese Meatball Subs and Pork Noodle Bowl. Love the quick recipes!

I got this for a friend for her bridal shower and I loved the simple, quick recipes in this handy little book. I might just get one for myself!

Great recipes in a fun wedding gift.
