Customer Reviews

I just returned from the Islands yesterday and couldn't wait to open my cookbook I purchased a few years ago.. I have made many many recipes from this book and I am always amazed at how great the recipes turn out. I would love to see another edition come with some recipes from some of the newer restaurants. Aloha and Mahalo

Have used this from a friend. Am so sad that it is not available anymore. It should be republished so many more people can enjoy it!
