Mr. Food Test Kitchen Cook It Slow, Cook It Fast: More Than 150 Easy Recipes For Your Slow Cooker And Pressure Cooker

Synopsis

At the Mr. Food Test Kitchen, we understand that your days are busy and getting a decent meal on the table can be a challenge. That's why we've created *Cook it Slow, Cook it Fast*, a cookbook featuring more than 150 slow cooker and pressure cooker recipes that will help take the stress out of your time in the kitchen. This cookbook from the Mr. Food Test Kitchen contains an extensive collection of easy to make recipes designed to be cooked either in your slow cooker (*Cook it Slow*) or in your pressure cooker (*Cook it Fast*). All of our recipes are triple-tested to make sure that you get the best results every time and we always use simple ingredients that any home cook can easily find at the supermarket. And if you're expecting just soups and stews, then get ready to be surprised 'cause in this book you'll find everything from amazing appetizers and mouthwatering main dishes to scrumptious sides and, of course, delectable desserts. Doesn't the thought of turning on your slow cooker in the morning and coming home to a house that smells amazing sound great? Dinner's all ready for you in one pot and the best part is that all of the recipes are packed with flavor! Our Test Kitchen team had a ball testing and tasting all the recipes and we know that you and your family will love digging into every single one of them. And what if I told you that you could cook almost any recipe you'd like in about a quarter of the traditional time and still enjoy its rich, slow-cooked taste? Well, with a pressure cooker you can! Unlike the pressure cookers of yesterday, today's pressure cookers have come a long way. They're safe, convenient and easier to use than ever. They're perfect for tenderizing less expensive meats, cooking vegetables to perfection and so much more. We even show you how to cook dinner starting with frozen meat and chicken for those nights when you forgot to take it out of the freezer. Besides more than 150 triple-tested recipes and mouthwatering full color photography throughout the book, you'll find lots of hints and tips from the Mr. Food Test Kitchen. So what are you waiting for? Dust off your slow cooker and pressure cooker and start saving time (and your sanity!) with these great no-fuss recipes your whole family will enjoy.

Customer Reviews

I love recipes that are quick and easy, but I still want my food to taste good. This cookbook fits the bill. I love the hints and tips and the serving suggestions. I also enjoy the beautiful, colorful pictures on each page.

I love this little book! Just simple recipes with ingredients that we usually have on hand. I know I am going to actually use this one on a regular basis. The French dip hoagies are so wonderful and so easy.... I had seen this on a shopping channel, went to and they had it \$3 cheaper....I think you all will love this one!

I haven't had an opportunity to cook any of the recipes as of yet, but there are a number of recipes that I'm excited to try. The book arrived quickly and properly packaged. This was a good purchase. I definitely recommend

I originally checked out the book from the library. Made three recipes. Absolutely delicious - all three! Decided to purchase the book for my cookbook library! The latest recipe I made was a steak soup with sliced sirloin, onions, mushrooms, potatoes with the skins left on, Montreal steak spice, red wine and beef broth. Just had it for lunch! Had to purchase the book The chicken Marsala and beef ribs with balsamic vinegar were also quite good!

This is a great cookbook to use for double-duty...cooking slow or cooking fast in your slow cooker and pressure cooker. Mr. Food usually comes through with their recipes and common ingredients.
