Customer Reviews

Absolutely the best cookbook out there. I've been a loyal fan of Cook's Country for years and I have always loved every recipe they make. I'm so very happy to have the last 9 years of their T.V. shows recipes all in one spot. The left side of the book has a beautiful picture of the recipe that is posted on the next page. I couldn't wait to see what the recommendations were for a lot of things and I immediately ordered several cooking gadgets that they had highly recommended. I'll have hours of fun reading the recipes and I'll make a game of opening the book to any page and fix that recipe for dinner. Enjoy please.

This is a very nice looking cookbook. Lots of useful info and a color picture of each recipe with clear instructions. Well worth purchasing.
