Mercedes-Benz The Grand Cabrios & Coupes

Synopsis

Nothing says summer like driving a convertible. The car without a roof has always been a symbol for luxury and laissez-faire. And it still holds true today: everybody who's anybody drives "topless." The larger four-seater convertibles in particular have always been highly sought after--but they are difficult to build and have usually been made as coupés for this reason. Mercedes-Benz has always been a pioneer in this area. Mercedes-Benz: The Grand Cabrios & Coupés gives us a peek at the long-standing partnership between Mercedes-Benz and Stuttgart-based photographer René Staud. Carefully staged photos show graceful curves and precision down to the finest details that convey the company's dedication to a very special kind of driving pleasure. This volume presents the most important convertibles and related coupés from 100 years of Daimler automotive history. A special highlight is Daimler's new flagship, a convertible based on the new S-class that is being rolled out at the 2015 IAS. Even though summer eventually comes to an end, and sunny days can give way to showers, this book stands for everlasting convertible adventures.

Book Information

Hardcover: 304 pages

Publisher: teNeues; Mul edition (November 23, 2015)

Language: English

ISBN-10: 3832732934

ISBN-13: 978-3832732936

Product Dimensions: 1.5 x 12 x 15.2 inches

Shipping Weight: 7.9 pounds (View shipping rates and policies)
