Rabbits (Barron's Complete Pet Owner's Manuals (Paperback))

Synopsis

This manual presents detailed advice on housing, proper nutrition, health care, play activities, training, and much more for your rabbit. An updated addition to Barron's Complete Pet Owner's Manuals series, this book has been written primarily for prospective and inexperienced pet owners, as well as for older children who are learning about responsible pet care, Barron's Complete Pet Owner's Manuals present basic pet care information. The many titles in this series cover all popular dog and cat breeds, bird varieties, hamsters and other small caged animals, aquarium fish varieties, terrarium pets, and even reptiles, amphibians, and exotics. Each title features approximately 70 color photos and advises on acquiring an animal, housing, feeding, health care--and, where applicable, grooming and training.

Customer Reviews

Of the 4 books I have purchased, this one has been the best. Even the book that is about the Netherland Dwarf rabbit did not have all the useful information that this book has. I highly recommend this book for people who are new to having and even more so for people who are thinking about getting a rabbit. It does cover breeding, but unlike other books it does not take up a huge chunk. It is a wonderful book and I think that even seasoned rabbit owners would find it beneficial.
