# The Guinea Pig Handbook (Barron's Pet Handbooks)

## Synopsis

Barron's Pet Handbooks are written, designed, and illustrated in much the same attractive style as Barron's best-selling Complete Pet Owner's Manuals. However, Handbooks have a larger page count and with it, more extensive and detailed coverage of each title's subject pet. This updated edition for guinea pig owners provides a wealth of information on the animal's anatomy and life cycle, plus advice on caging, feeding, and health care.

## Customer Reviews

Was wonderful and helpful. I feel that I know enough to keep my guineas alive and healthy and happy.

One of the best Guinea Pig references that I have seen. This book and a few in depth web sites are all that I have found to be required to maintain a healthy and happy little friend..

A little preachy but still helpful for a new guinea pig owner.
