This book is fantastic and well written. By reading this book I have learned about some delicious smoothie recipes. Inside of this book the author has described about how to detox, cleanse and reset our bodies by these great smoothies. Actually, I am a huge fan of green juices, green smoothies and raw foods. A few days ago I purchased this book and by reading this book I am surprised and satisfied. After reading this book I got excited about green smoothies and for that reason my Mother brought a blender for me from the shop. So I'd call it a success! This book is visually gorgeous and the recipes are adaptable. Inside of this book I have found some helpful information, and I am pretty sure what will help you burn fat and increase your energy. My whole family like smoothies and this book just gave us a few more variations to try out. I am glad to read this book and I will definitely suggest this book to all.

I absolutely love it, I'm in the market to lower my weight and more healthier life. And there are some nice and tasty smoothies, and a nice information about this blender, this type of blender will keep all the good stuff, that some other will throw away. This is maybe a short book, but there is a lot good information, I hope that all people who read this will find some recipe that is best for them.

When I saw this book I got really interested. And I wasn't disappointed, because there are just a lot of smoothies and super juice recipes to choose from. This book shows the advantages of using super ninja blender, the process in making smoothies and of course its benefits. When I read this super ninja blender, I really want to buy blender just to make smoothies that are so mouth-watering and at the same time keep us healthy. Worth my money and time in this book.

I'm a smoothie lover and this book is perfect for me. In this book you will learn a bunch of smoothie recipes that is good to fight inflammation and cleanse your body. Good book!

Perfect partner for my ninja blender! I love the recipes, pictures and the fact that the nutritional value was included. I've tried some of these recipes and I can't wait to dive into the new ones!

Cool. The recipes in the book are easy to prepare as the directions are too easy to follow. I am really happy that I got this book for FREE. Nice collection of smoothies.

Nice and useful, all is explained in detail and in an overall helpful way.
