The best thing about this book is definitely the pictures. If you love jewelry, this book is for you! Tiffany & Co. is one of the world's most famous jewelry stores, and this book does justice to their legendary status. The accompanying captions and articles left a little to desire, but the photographs made up for it. A must have for any jewel maven.

I received this item as a gift and *loved* it. The pictures and layout are beautiful. However, I would like there to have been more content around the items.

Lucky me to have found this book under my Christmas tree this year. A simply stunning collection of Tiffany jewels, the advertising that showcased them and the famous women who have worn them. Browsing these pages is the next best thing to swimming in a pool filled with precious gemstones and metals! A must read for any true Tiffany aficionado!

Fabulous book, in great shape and received very quickly. Thank you!

This is an absolutely wonderful book for anyone who is interested in the history of the Tiffany brand and has some marvelous photos of old pieces!
