Customer Reviews

I have over thirty cookbooks, but this is the one I use the most. It has great recipes for everything from chili to pie, and is so clearly written, that even a novice cook can get good results.

I've had this cookbook for the last 15 years. I think my sister gave it to me one year at Christmas. I once ate at the Lion House in SLC for someone's wedding, and it was incredible. This is an excellent cookbook for those who need to cook for crowds. There were always crowds in Utah...it's kind of self-explanatory. So the women learned to cook in great amounts, but that didn't mean they didn't cook well. I've used many of the beverages, especially the hot ones, for all kinds of get-togethers. Even adolescents appreciate a nice hot cup of apple cider/wassail in the fall after playing football. For those who prefer to find comfort in each other's company, rather than drinking alcohol, this book provides the beverages and the desserts (so many tend to have alcohol at Christmastime) without

the problems. Many of the recipes are simple, good food. A great cookbook for a beginning cook, or for someone who aspires to entertaining well. Karen Sadler

My wife has been using this cook book for years. The results have been consistently good. I would recommend this book to anyone who likes good food. It is especially useful for those who do not use alcohol in their cooking.

I bought this book for my daughter when she said she didn't have one. I can't imagine trying to cook without it. It's my go-to-book I use for everyday dinners and also for something special when company is coming. All the recipes are made from easy to find ingredients and turn out just like they appear in the pictures.

This is my 2nd Lion House cookbook. I wore out my last book of several years and had to order a new one. I am so happy to find it since it is now out of print

My wife has wanted this book for years. It was ordered, and received within two days. The book was in great shape. I would deal with them again.

The perfect set of cookbooks! Make the chicken taco pie (casserole)! Everyone will want you to always bring this dish!!

Great book full of great recipes. Classically comfort food and some fancy stars that'll wow when you entertain.
