Not only was this calendar super, duper inexpensive, the pictures are absolutely precious and the information on each page is interesting. This particular calendar also lists all kinds of holidays that are out of the ordinary, which makes it even more fun. For under six bucks, who could ask for

anything more? Plus, due to my Prime Membership, I no sooner pressed "Buy with One Click," and the item was at my front door. Even though March is approaching, it would still be worth it to grab one of these, if not for the adorable pics, then for the fun facts that are detailed. I highly recommend this item.

If I put up a calendar, I want it to be something I enjoy looking at. I have a coffee calendar in my coffee themed kitchen and love it. I keep a calendar in a room I set up as a home gym to keep track of my workouts and wanted it to be one I liked to look at, too. I am a cat lover, and this calendar is reasonably priced and is of very nice quality. The pages are nice and thick, very nicely made. Interesting cat trivia and tips, too. I'm very pleased with this purchase.

Gave this as a gift for Chtristmas to a fellow cat lover. Contnue to get positive comments from them and they always look forward to the next month. The tips are quite handy and have helped in recommending some healthy choices/actions for their friends when caring for cats.

what else can i say.... perfect for a car lover without a cat in their life... it'll help them know what to do when they finally succumb to a kitty or kitten.... or two.
