# The Ashford Book Of Rigid Heddle Weaving

## Synopsis

International weaving teacher, Rowena Hart, shows you how you can create exciting, beautiful garments and crafts - all on the simple two harness loom. In the book she guides you step-by-step through the many techniques, showing just how easy it is to make your woven creations come alive through color and texture. Be inspired by Rowena, who has worked with weavers from many cultures in her role as Education and Marketing Manager of Ashford Handicrafts Ltd.

Shipping Weight: 15.2 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #351,284 in Books (See Top 100 in Books) #142 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies > Needlecrafts & Textile Crafts > Weaving](#)

## Customer Reviews

This is my favorite book for those starting rigid heddle weaving. The pictures and drawings are exceptionally clear, and there are many interesting ideas for using your heddle loom.

This is such a great book. The pictures and illustrations are very clear and inspiring. I'm a total beginner and the book has shown me the variety of projects that can be done on this simple and versatile loom.

I live in a small house with most walls covered in bookcases. However I have carved out one wall for a couple of rigid heddle looms. This book is a great started even if you intend to eventually go with a floor loom. You may also find yourself using the rigid heddle as a tester for sample you plan to make on the other loom. The drafts are not that colorful but they do not need to be. An added plus not found in your avrige weaving book is the history of Ashford. It may be a tad of an Ashford advertisement. However you will soon feel one of the family.
