## Customer Reviews

This book has it all if you love crabs. Entire chapters dedicated to: Appetizers (including spreads, dips, etc.), Crab Soups, Crab Salads, Crab Cakes, Soft Shell Crabs, Deviled Crab, and Imperial Crab. The recipes are gastronomically pleasing! The book is a compilation of the author's favorite self-tested recipes of crab dishes from the country's best crab chefs. Also, these recipes are easy to make.

There are lots of great recipes to try, but my favorite is the Jones Point Creamy Crab Dip. I have served this to countless friends over the years, taken it to pot lucks, etc., and it is always a hit. Double the recipe and you still won't have leftovers! I usually serve with Keebler Club crackers. This one recipe is worth the price of the book.

I live in the Chesapeake Bay area where blue crabs are held in high regard as maybe the best crab there is. This recipe book has a lot of classic, authentic and recipes, many if not most of which come from the people that live on the Bay and have been passed down for generations. This was advertised as a lightly-used book in good condition and that's exactly what I received. It arrived well-packaged and within a week of ordering. I would definitely order from this vendor in the future.

Being from Maryland this is the best

I love this book..... but then I am a native Baltimorean living thousands of miles away from my beloved blue crabs...however I can buy it at Costco so I use this book recipes are good

This 'how to' is well organized and the recipe instructions easy to follow. The ones I've tried were fine.

The absolute best collection of crab info and recipes. Whitey was an amazing man.
