Customer Reviews

BEAUTIFUL FULL COLOR PICTURES. LOTS OF NEWER TINS WHICH HAVE STARTED TO APPRECIATE IN VALUE. A GREAT SOURCE OF INFO FOR BEGINNERS OR FOR VALUE-MINDED COLLECTORS. NOT MANY OLDER TINS, HOWEVER, SO IF YOU ARE COLLECTING TINS TWENTY YEARS OLD OR OLDER, YOU MAY WANT TO LOOK AT SOME OTHER REFERENCE SOURCES.

A beautiful 152 page, 8 1/2 x 11" softbound book containing more than 500, huge, sharp, beautiful full color photos. Some background information is included. Mostly a delightful picture-price guide ('98 pricing). Main topics range from breakfast cereals, candy, beverages, cookies and cakes to pet products, snacks, misc. non-food tins. A pleasure to view and enjoy the life-like tins. Superb photos and reproductions. Collectors will surely enjoy owning this book.

This book gives great descriptions and detailed pictures of the new collectible tins of the new era. The colored pictures are of vivid detail and are a delight for the collector who wants to review the contents of this fine work often. I would hope that the author is considering expanding this fine work

to other tins that are out there.

Love this book. I had the later second in the series book first. I wanted to see what was in this first issue. I am very happy with it and it was shipped fast. thanks
