Back To The Kitchen: 75 Delicious, Real Recipes (& True Stories) From A Food-Obsessed Actor

Synopsis

Most people know Freddie Prinze Jr. from movies (She's All That, Scooby Doo, Star Wars Rebels) and as one half of beloved Hollywood power couple with Sarah Michelle Gellar. But to family, friends, and co-stars he's always been a terrific father and skilled home cook who prepares delicious meals for his family every night. Freddie grew up in New Mexico cooking with his mother and eating dishes with a ton of flavor and spice from his Puerto Rican heritage. His eggs come New Mexico style, served with from-scratch biscuits and green-chile gravy. His tacos are the real deal: soft tortillas, homemade salsa, filled with steak layered with quick-pickled cucumbers, or spicy fish dressed with watermelon and thai chiles. Now in this family-focused cookbook, Freddie teaches fans to cook his mainstays, the recipes that he makes on even the busiest weeknights, as well as more luxurious date night meals. With personal family photos from Freddie and Sarah's beautiful LA home and Freddie's hilarious stories about the life of an actor, husband, and father in Hollywood, *Back to the Kitchen* shares more than just recipes. It's an inside look at a beloved movie and TV personality who has acted, cooked, and eaten his way around the world.

Customer Reviews

This book is a gem. FPJ comes off as down to earth and relatable. I loved his dad humor and how much he seems to adore his family. The recipes are easy enough for a beginner, but sophisticated enough that foodies will still enjoy them. My favorite part of the cookbook is how flexible the recipes seem to be. Prinze suggests different options, but let's you know what you can change up to suit your preferences. I know everyone is obsessed with Chrissy Teigen's *Cravings*, but if you only

purchase one, get Back to the Kitchen. I have both and this is the superior cook book.

I bought the book out of curiosity. I'm surprised. I enjoyed the intros to the recipes. The recipes themselves seem very good. There are many bookmarked to try soon. Most ingredients are easily obtained. Simply worded instructions. All in all, enjoyable and good new recipes to try.

Sat down and read the book last night. It is full of interesting and easy recipes with fun commentaries. I have never used New Mexican green chili but I am going to get some and try it out. The green sauce recipe sounds delicious and I would definitely add it to omelets and tacos, but it would be interesting to add a dollop to egg salad or use as a topping on a chopped salad. This is a good addition to my cookbook library.

Great cookbook by Freddie Prinze Jr. on the Mexican cuisine he grew up with in Albuquerque. The recipes are easy to follow, and the joy of cooking permeates every page. I am a dedicated cook of Mexican food, but Mr. Prinze has provided me with a new outlook on traditional New Mexico cooking. I love this book and am about to send a copy off to my son-in-law because I know he will like it as well. Many of the recipes seem gluten-free although they are not advertised as such. The combination of spices is incredible, and the end result is a meal of originality and compelling goodness. I say 5 stars for the book, its author and for the writing and explanations surrounding the recipes.

Just received it and read it cover to cover. The stories Freddie tells are so interesting. It's like having a conversation with him in his kitchen. Looking forward to making some of the YUMMY dishes. A great cookbook to add to my collection. His Mama raised him well. Just wish he had included a photo of Kathy in the book. Looking forward to Freddie's NEXT cookbook.

Fantastic book! Better than I had anticipated. The colors are vibrant, the pictures are crisp and beautiful, and the stories really help to connect you to the food on a deeper level. Not to mention....very yummy looking food, great recipes!

We've tried out several of the recipes since this arrived and have been consistently impressed. So far, they've all been easy(-ish) to make for our family on weeknights, and the resulting dishes were all delicious.

What a wonderful cookbook! I saw him on TV and it looked good. Every recipe I've tried is wonderful! He knows how to make everything so flavorful! My family goes crazy over everything I try. I tried the fried chicken I saw on TV. My family couldn't get enough of it. The pancakes, oh my gosh! Soooo good! You have to try it!
