## Customer Reviews

I've been following @cats\_of\_instagram for years now and they always come up with great content, so when I heard there was a book coming I was beyond excited. Upon seeing the book in person, it is very good quality and has wonderful photos. I would recommend this to anyone. Lots of value here. Thank you so much for making me happy each and every day on instagram. Cheers! Love it!!!

Cute cat picture book I see all these cats on the internet (or some of them) but nice to have them in a little flip thru book. And with their addresses I can look up others I would like to follow. Initially saw at CatCon but opted not to buy it then because you have to carry it around. So glad it was offered here.

Who doesn't love cat books?! I always LOVE catsofinstagram on Instagram!! I am so excited they came out with a book now highlighting some adorable, funny, silly, and crazy photos!

Finally, the Instagram page we all have has a book FULL OF AMAZING CATS. Highly recommend this adorable book!
