Customer Reviews

Mary Cassatt's genius and vibrant style is represented wonderfully in this quality book of glossy cards. Mothers, grandmothers, and women who appreciate Mary Cassatt's special painted world of women and children, should enjoy this as a gift, or just a card with a friendly or loving note from time to time. What an affordable way to get a great array of Mary Cassatt paintings!

These cards are perfect for seeing up close the artwork of Mary Cassatt. The collection includes most of her most iconic pieces of artwork and features a variety of her styles (impressionist, post-impressionist, and Japanese print). My only minor complaint is the serrated edges left on the cards after removing them from the book, however I easily trimmed them off with a paper cutter, so not a big deal.

Delightful postcards depicting the art of American Mary Cassatt. I have seen many of her paintings

in museums and these cards are true to color and enjoyment. Highly recommended for the art enthusiast, as am I.
